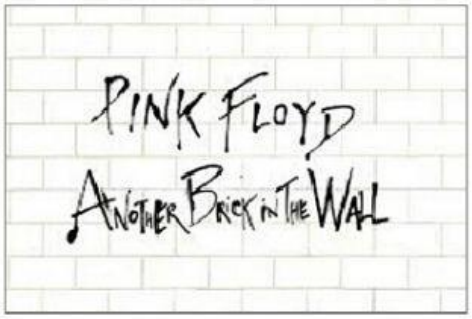
ANOTHER BRICK IN THE WALL, 1979

Pink Floyd

https://youtu.be/5IpYOF4Hi6Q

We don't need no _____
We don't need no thought control
No dark _____in the classroom
Teachers leave them kids _____
Hey!
_____, leave them _____ alone!
All in all it's just another brick in the wall
All in all you're just another
brick in the wall



We don't need no education
We don't need no thought control
No dark sarcasm in the classroom

Teachers leave them kids alone
Hey!
Teacher, leave us kids alone!
All in all you're just another brick in the wall
All in all you're just another brick in the wall
