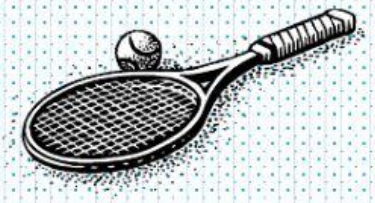
Past Simple

Look at these examples:

I worked yesterday.
I didn't work yesterday.



They played tennis last week.
They didn't play tennis last week.

When we say we didn't do something in the past we use didn't + a present simple verb. ***I didn't work last week.***

We do not add 'ed' to the verbs- ***They didn't worked last week.***

Turn these verbs in past back into verbs in present.
