WRITING

1 Read the article and choose the correct expression of purpose.

This month the eco-group Friends of the Environment are organizing a park cleanup. Their aim is [0] **for / to** get more people involved in taking care of the local community. Our park is loved by everyone in the area and is used [1] **for / so that** recreational activities and relaxing, but it won't be such a lovely place to go if we don't keep it clean. They organize different events every month, [2] **to / so that** people can help improve their neighbourhoods. They have also designed posters [3] **to / in order** inform people how littering threatens wildlife and set up 'stop litter' campaigns [4] **so that / in order to** encourage people to think twice about throwing rubbish on the ground. You can help too! Join Friends of the Environment on their park cleanup [5] **so as not to / to** be part of the problem, but part of the solution.

[ ] 5

2 Write an article for a local newspaper giving tips to readers about how to help the environment in 125–150 words. Include the following:

- ideas about how people can be eco-friendly
- how people can get involved with or organize different schemes and events to help the environment
- who and what these schemes involve
- some expressions of purpose
