Superstitions in the U.S.

Let's complete this chain of events!

Drag the phrases to the most suitable chart below:

People in the States think ...	If they get unlucky, their husband or wife will stop loving them.	If they get married on a rainy day, they will live happily ever after.	If they kiss under a mistletoe, they will love each other forever.	If they stop loving them, they will buy them a pair of shoes.
For if they break a mirror, they'll have 7 years of bad luck.	they will definitely leave and will never kiss under a mistletoe again!	If they love each other and feel it is forever, they'll get married.	However, they cross their fingers not to break a mirror...	If they buy them a pair of shoes...
