Melissa Vargas (age 24)
What's your favorite sport?
My favorite sport is volleyball. You can play it with a team, and I love working together with my teammates. I practice every day and I can hit the ball very hard. Sometimes, the games are difficult, but I always do my best. I've won many matches, but I also lose sometimes.

What are your hobbies?
I enjoy listening to music and dancing in my free time. I don't like swimming or playing computer games.
