**Choose the correct answer for each question about Ireland**

***Passage:** In Ireland, people love playing sports. One sport they play is Gaelic football. In this sport, players kick the ball and try to score goals. Another fun sport is hurling. In hurling, players use a stick to hit the ball. The goal is to score by hitting the ball into the net. People also enjoy dancing. One type of traditional Irish dance is called Irish dancing. It's a fun dance where people move their feet very quickly to music. In Ireland, there are many competitions where people show their dancing and sports skills. Ireland is also famous for pottery. Pottery is when people make things out of clay, like bowls or cups. They use their hands to shape the clay into different shapes. Some people also play instruments, like the tin whistle, a small flute that makes a sweet sound
