Man: There isn't enough for two. Look, it'll only take a minute to get the bread and cheese out. Then we won't miss the film.
Woman: OK.

2 What will they have for dinner?
Woman: You aren't making sandwiches again for dinner, are you? We need to eat better than that!

Woman: Well, there's some fish in the fridge, we've got beans and (7)_____
Man: Oh, and here's a tin of (8)_____.
Woman: No, I'm going to cook us a meal, and we can have the soup tomorrow.
Man: Great.

Max: What time is everyone arriving for the barbecue, Ellie?

Max: Good idea.
Ellie: George is bringing (9)_____ and cakes. We all like to eat something (10)_____ after lunch.
Max: I can bring a few (11)_____ from the market. It's good to have a healthy option.

Max: No problem! I'll do that. What about Sophie?
Ellie: She said she can bring a curry or some (14)_____. I love curry, but on a hot day people prefer something nice and cool!
Max: OK, so what's Oscar bringing?
Ellie: Nothing, but he's going to cook the burgers on the barbecue.
Max: We should also have some (15)_____. Everyone loves them.
Ellie: OK. I'll ask Oscar to bring some.
