MY FAMILY

Hello!

My name is Anna. I want to tell you about my family.

I've got a small family. There are four people in my family. They are my father, my mother, my sister, and me. We live in Los Angeles.

My father is a teacher. He teaches English in a school. My mother is a doctor. She helps many people in our city.

I've got one sister. Her name is Lucy. She is sixteen years old. She is funny and likes to read books. We often watch films together.

My family is very important to me. We spend time together on weekends. We often go to the cinema or have dinner at home. I love my family very much!
