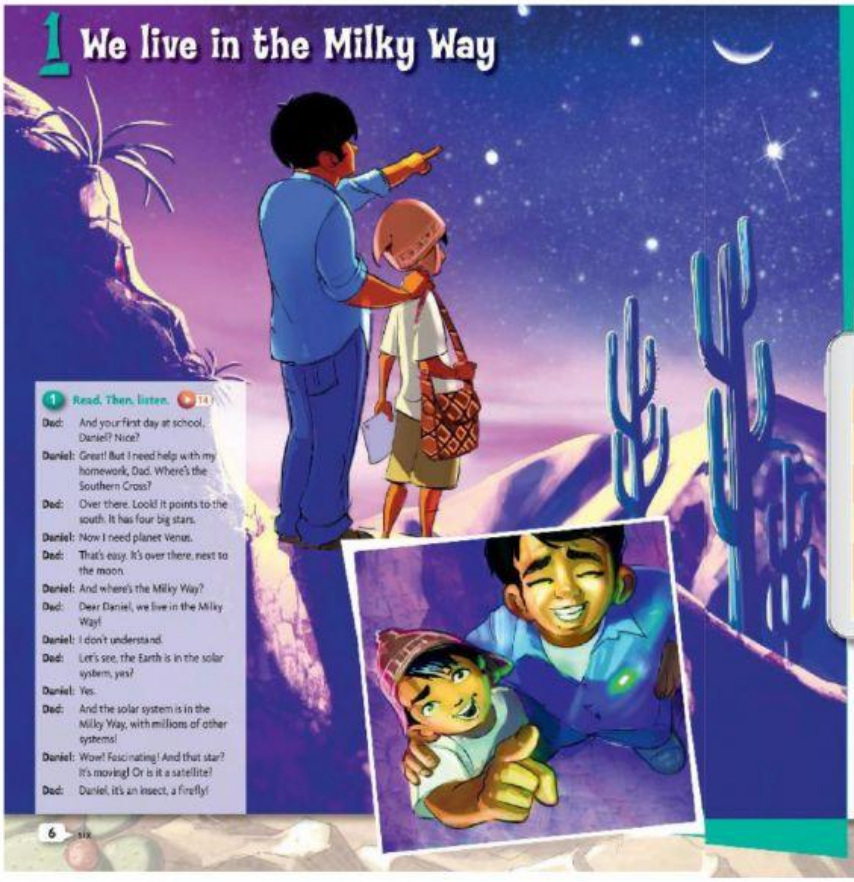
1 We live in the Milky Way



1 Read. Then, listen. T14

Dad: And your first day at school, Daniel? Nice?

Daniel: Great! But I need help with my homework, Dad. Where's the Southern Cross?

Dad: Over there. Look! It points to the south. It has four big stars.

Daniel: Now I need planet Venus.

Dad: That's easy. It's over there, next to the moon.

Daniel: And where's the Milky Way?

Dad: Dear Daniel, we live in the Milky Way!

Daniel: I don't understand.

Dad: Let's see, the Earth is in the solar system, yes?

Daniel: Yes.

Dad: And the solar system is in the Milky Way, with millions of other systems!

Daniel: Wow! Fascinating! And that star? It's moving! Or is it a satellite?

Dad: Daniel, it's an insect, a firefly!

2 Read again and tick. Then, draw icons for the school subjects.

Daniel's homework is for...

- 1 Maths
- 2 Language
- 3 English
- 4 Music
- 5 PE
- 6 ICT
- 7 Arts
- 8 Natural Sciences
- 9 Social Studies

3 Listen and complete the timetable. T15

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
8	Language			Maths	
8.40	Language			Maths	
9.30	Maths	Natural Sciences	Language	Social Studies	
10.30	Maths	Natural Sciences	Language	Social Studies	Maths
11.20		Social Studies	Natural Sciences		Maths
12.00	Natural Sciences				Language

4 Play a memory game in pairs.
