L6U6.4 PETER PARKER-1: House chores and home. My dad was a monster.

Read the text and write the numbers of the actions in the pictures. Click if it is affirmative or negative.

Hi, my name is Peter and I live in Barcelona. Today is Sunday and I will tell you the house chores I did and the chores I didn't do at home yesterday.

Yesterday, I didn't get up early because I was tired **(1)**. When I woke up at 12 o'clock **(2)**, I made my bed **(3)** but I didn't tidy up my bedroom **(4)**.

My mum gave me some of my clean clothes **(5)** so I put my clothes away in my wardrobe **(6)**.

Later, I had lunch with my family **(7)**, but I didn't have lunch with my grandparents **(8)**. It was a delicious meal.

In the afternoon I had some friends at my house and we played computer games using the TV **(9)**. We also had snacks, salad and pizza in the living room **(10)**.

When my friends went back to their houses **(11)**, I tidied up my toys and food that was on the floor in the living room **(12)**. I also swept the floor as it was messy **(13)**. But I didn't tidy up my bedroom.
