Nothing else matters (Metallica)

Listen to the song and choose the correct option.

So close no matter how far

Couldn't be much more from the heart

Forever trusting who we are

And nothing else matters

Never opened myself this way

Life is ours, we live it our way

All these words I don't just say

And nothing else matters

Trust I seek and I find in you

Every day for us something new

Open mind for a different view

And nothing else matters

Never cared for what they do

Never cared for what they know

But I know

So close no matter how far

It couldn't be much more from the heart

Forever trusting who we are
And nothing else matters

Never cared for what they do
Never cared for what they know
But I know

I never opened myself this way
Life is ours, we live it our way
All these words I don't just say
And nothing else matters

Trust I seek and I find in you
Every day for us something new
Open mind for a different view
And nothing else matters

Never cared for what they say
Never cared for games they play
Never cared for what they do
Never cared for what they know
And I know

So close no matter how far
Couldn't be much more from the heart
