Lesson #7: Practice with Building Words
Combine word parts to make new words by dragging one word part to another. You can use more than two word parts in some cases. Combine root words with prefixes, root words with suffixes.
One example has been done for you.

Beginnings (Prefixes)	Middles (Root Words)	Ends (Suffixes)
re	paint	ed
	cook	er
	clean	s
	hold	ing
