Reading "Our School Life"

Hello! My name is James. I am 13 years old and I go to a secondary school. This is my first English class of the summer. I'm very happy to meet new friends here. Nice to meet you!

My best friend is Theresa. She is very friendly and funny. We always sit together in class. She has long black hair and wears glasses. We talk a lot during break time.

My teacher's name is Miss Margaret. She is kind and patient. She wears a green dress and black shoes. She always says, "Good morning!" with a big smile.

In my classroom, there are 20 students. Some are tall, some are short. We come from different cities. But we all want to learn English. It's a fun place to study.

I have one brother and one sister. My brother's name is Daniel. He is 15 and very smart. My sister's name is Elena. She is 10 and loves to draw.

My father is a doctor and my mother is a nurse. They work in a hospital. They are always very busy. But they help people every day. I want to be like them.

Today, I am wearing a blue T-shirt and gray pants. My shoes are white. My backpack is red. It has my books, pencils, and notebook. I also bring snacks.

Theresa is wearing a yellow sweater and jeans. Her shoes are black. She has a pink water bottle. I like her style. She always looks great.

We learn many things in English class. We talk about our families and friends. We describe people using words like tall, short, funny, and kind. It's easy and interesting.

Sometimes we play games to practice English. We say greetings like "Hi!" or "Good afternoon!" and practice asking questions. It's fun and helps us speak better.

We also read short texts in class. After reading, we answer questions. This helps us understand better. I like the stories because they are about kids like us.

In art class, we draw our families. I drew my dad with a blue shirt and my mom with a white dress. My sister is in the picture too. She is wearing red shoes.

My friend Pedro is very tall and strong. He plays basketball every day. He is also very kind. He helps us carry our books when they are heavy.

Elena, my little sister, is very shy. But she is also very sweet. She likes music and dancing. She always wears her favorite pink dress.

I love my school and my friends. English class is the best part of my day. I like learning new words and talking with others. I feel more confident now!
