Question 19-21: Read the text and choose the correct answers

Scuba diving is an underwater activity where divers use special equipment to breathe and explore the ocean's depths. The equipment includes a tank of compressed air, a mask, fins, and a wetsuit to protect against the cold. Scuba diving allows people to see marine life up close, such as colorful fish, coral reefs, and even shipwrecks. However, ***it*** requires training to ensure safety. Divers must learn how to control their breathing and understand the underwater environment. Popular scuba diving destinations include the Great Barrier Reef in Australia and the Red Sea in Egypt. Scuba diving is not just for fun; it's also used in scientific research and underwater construction.

Question 22-24: Read the following text

Stories and poems play a crucial role in learning literature. They introduce students to different cultures, perspectives, and emotions, helping them to develop empathy and a deeper understanding of the world. Through stories, students can explore complex ideas in an engaging way, while poems encourage creativity and the appreciation of language. Both forms of literature teach important lessons about life, morality, and human nature. By analyzing themes, characters, and structure, students improve their critical thinking and interpretative skills. Additionally, stories and poems stimulate the imagination, which is essential for fostering a lifelong love of reading and writing.
