RAC BONI - Peer Evaluation

Evaluated group: _____

Evaluators' Names: _____ Date:_____

Criteria	Fulfilled	Pending	Notes
Did the group show that they understood the project's purpose?			
Did they explain their process or results clearly?			
Did they use correct information and examples to support their ideas?			
Did they seem to cooperate and help each other?			
Does their work show effort and preparation?			
Was everything well organized?			

Evaluator's questions (ask the following questions to the group and give a comment based on their presentation and answers)

- How did you prepare your project? What part took you the most effort?
- What did you do to keep everything organized?
- If you could start this project again, what would you change or improve?
- What part of your project are you most proud of?

Evaluator's final comments (What is one suggestion you have for them to improve? What did you like most about this group's project?)
