"Green Eyes"

by Coldplay

Listen to the song and complete with should, must and could

Honey you are a rock
Upon which I stand
And I came here to talk
I hope you understand
The green eyes, yeah the spotlight, shines upon you
And how _____, anybody, deny you
I came here with a load
And it feels so much lighter now I met you
And honey you _____ know
That I _____ never go on without you
Green eyes

Honey you are the sea
Upon which I float
And I came here to talk
I think you _____ know

The green eyes, you're the one that I wanted to find
And anyone who tried to deny you, _____ be out of their mind
Because I came here with a load
And it feels so much lighter since I met you
Honey you _____ know
That I _____ never go on without you
Green eyes, green eyes
Oh oh oh oh *[x4]*

Honey you are a rock
Upon which I stand
