Worksheet Comparative Adjectives

Name: _____

Date: _____

How to form comparative adjectives?

1. Add "-er" to short adjectives (1 syllable)
Examples:
- **small → smaller**
- **tall → taller**
- **fast → faster**

2. If the adjective ends with "e", just add "-r"
Examples:
- **nice → nicer**
- **large → larger**

3. If the adjective ends with a consonant + vowel + consonant, double the last letter and add "-er"
Examples:
- **big → bigger**
- **hot → hotter**
- **sad → sadder**

4. For longer adjectives (2 or more syllables), use "more + adjective"
Examples:
- **beautiful → more beautiful**
- **exciting → more exciting**
- **careful → more careful**

5. Always use the word "than" after the comparative
Examples:
- **Ali is taller than Amir.**
- **This book is more interesting than that one.**
