B9. Shoplifting, a lot of people say us, is one of the least serious kinds of crime. They
B10. also believe that most shoplifters who steal from shops because they haven't got
B11. enough money to buy himself food. Well, statistics clearly show that the people who
B12. do not think shoplifting is a problem are wrong. Every others month more than 20,000
B13. shoplifters are been caught in England and Wales alone. Usually, these are not poor
B14. people who cannot afford to buy food, but lots professional shoplifters, who steal
B15. a lot of valuable items in order to sell them, or teenagers, who shoplift for its fun.
B16. Financial experts claim that shops lose a lot of money every year while as a result
B17. of shoplifting. But the most important thing is so that shoplifting is stealing and
B18. stealing is a crime, so it's such morally wrong. It's as simple as that.
