ABOUT ME

My name's Kevin. My family and friends are very important in my life. I have a younger brother, Eric, he is a little bit naughty.
My family is from Spain and Portugal because my father is Portuguese. I live in Orense, a city in the north-west of Spain. It's famous for its Roman baths and its Roman bridge.

My best friend, Lena, is in my class at school. She is 11. Her family is from Poland, but their house is in Spain.
I like my city and Lena likes it too. She doesn't miss Poland. He prefers Spain because the weather is better.

I live in a big house with my parents, my brother and my two dogs. I have a big garden but I haven't got a swimming pool. I see my grandparents every day because they live next to me.
Lena lives in a flat in the city centre, close to our school. She hasn't got a garden but she has lots of plants.

My favourite subject is English and Lena likes music. I always help Lena with the Spanish and Galician homework because they are difficult for her. Lena sometimes teaches me some Polish words but it is not easy.

My favourite sport is football. Lena and I are in the school football team. Lena and I are crazy about computer games. We play computer games together every weekend.
I like reading a lot and right now I am reading a book called "Momo". It's great!
