

PAST SIMPLE OF IRREGULAR VERBS

AFFIRMATIVE AND NEGATIVE

Affirmative		Negative		
I / You / She / He	took some photos.	I / You / She / He	didn't	meet a friend.
We / They	saw lots of bands.	We / They		drink water.

Irregular verbs don't follow a regular pattern in the affirmative form of the Past Simple:

- We **went** to a music festival. We **saw** lots of bands.

But in the negative form, irregular verbs work like regular verbs, we use the auxiliary *did + not (didn't)* + the infinitive of a verb:

- They **didn't go** to the cinema.
