# Kim Dracula - In Threes

Look at the world
And all of the people _____ _____
Give us a twirl
I'll show you my animal instinct,
A ritual invitation
You cannot fabricate it
Do you see what I see?
Just take a peak

I'm takin' over
As your memory _____ into the Earth
I hate the sound _____
Bad things come in _____

Stones of the ancients corroding the newborn flesh
Let's give the people what they want
Bum bum ba dum bum badadadada
Dum bum ba dum bum
Exhume the corpses that forsook the son
Leaving their souls to rot then turn to dust
Yeah
_____ in the brain
But it's better than _____
Beaten and taped
They'll break all of your limbs for enjoyment,
It was a simple congregation
Never too _____
Can you see what they see?

[Refrain]

Come on, Kim
You can do better than this
_____ yourself harder!
That's it?
That's not enough
Heavier
Great job!
