My Neighborhood

In my neighborhood there are many places to go. If I am hungry I can go to a restaurant and eat. There is a post office in my neighborhood where I can mail a letter to my grandmother. There is a shopping mall to go shopping, a bakery where I can buy a birthday cake too! If I want to read some books or do my homework I can go to the library. I go to the cinema with my friends to watch a movie. My favorite place is the bank, because I can get money there! There is an internet bar in my neighborhood, my big brother goes there to surf the internet or play computer games.
