Part 2: Reading Comprehension - "Our Past Lives"

Instruction: Read the text below and pay attention to the verbs in the **Past Simple**.

Many years ago, life **was** very different. People **lived** in small villages and **worked** in the fields from morning until night. They **did** not have electricity or smartphones. Instead of sending text messages, they **wrote** letters by hand. Children **played** outside with wooden toys, and families **told** stories around the fire.

My grandfather **grew** up in a small house near the mountains. He **walked** five kilometers every day just to get to school. He **found** happiness in simple things, like a piece of fresh bread or a cold glass of water. Even though life **felt** harder back then, many people **say** it was more peaceful.

Questions about the text:

1. **How did people communicate in the past according to the text?**

   _____

2. **Where did the grandfather grow up?**

   _____

3. **What did children use to play with?**

   _____

4. **List 3 verbs from the text that are in the V2 (Past) form:**

   1. _____ 2. _____ 3. _____
