What will I have to do if I [0] want to learn to drive? I'm seventeen years old. Can anyone help?

MOST HELPFUL ANSWERS

Hi, Jayne. Before you learn to drive, you'll need to choose a driving instructor. It's important to choose carefully because if you [1] _____ on with your instructor, you [2] _____ the lessons. My instructor was great and I really enjoyed learning to drive. Good luck! ☺

You will probably feel nervous the first time you drive, but if your instructor [3] _____ you to a quiet place to practise, it [4] _____ much less stressful.

My brother is learning to drive and he's worried about the theory test (the one you do on a computer). I think that he [5] _____ the test without any problems if he [6] _____ the rules of the road.

Thanks for the advice. One more question. If I [7] _____ the test, will I have to pay again?
