Name

HOW TO WASH YOUR HANDS

Match the words with the definitions.

to wet	one of the places on your hand where your fingers bend
to apply	the inside part of your hand (not the fingers)
to rub	to put water (or another liquid) on something
a palm	the thin, hard thing at the end of your fingers
a knuckle	to put on or spread something, for example soap or cream
a thumb	to touch two things together, moving in circles or up and down
a nail	to take dirt or soap off with water
to rinse	the short, thick finger on the side of your hand
