take up	give it up	give me back	is giving hers away

take off

A Are you still playing tennis at the weekends?

B Yes, but I want to **stop**. ( )

A Oh, that's a shame. I thought you enjoyed it.

B I do enjoy it, but Jake has asked me to play squash with him. I'm going to **start playing** squash.

( )

A In that case, you can **return** the tennis racket I lent you. ( )

B Yes, of course. Do you have a squash racket you could lend me?

A No, I don't, but Sarah **doesn't need hers any more**. I'm sure she'll let you have it. ( )

B Really? I'll give her a call then and ask her.

A It's a bit hot in here.

B **Remove** your coat then. ( )
