Classifying Ancient Greek Literature – Part 2

Directions: Cut out each fact box below and then paste it in the correct period.

Archilochus	Thuycidies	Homer

His stories were the inspiration for much of Greek literature	His stories told real details about his thoughts and feelings	He included great details and analysis of facts in his work
His greatest work was the history of the Peloponnesian Wars	He wrote tales of action and personal stories	Historians can't decide if he ever really lived
He wrote The Odyssey	He learned his craft from Herodotus	He was a traveller and mercenary soldier
