My house is made of trees and it's got grass on the roof. Grass is really good because it's very green. The house stays hot in the winter and cold in the summer. When it snows, I can ski on it!

The door is made of wood. The windows are made of water bottles. When it rains, the water from the roof goes into the window bottles. I use it to water my plants. There are leaves over the balcony. I can sit under these when it's sunny.
