Successful Business Entertaining

Today, you don't ....do....[1] business only in your office. All over the world, people understand that it is important to .....[2] business partners, customers and suppliers. When you plan to go for a .....[3] with your visitors, there are a few rules to remember. First, don't take them to a restaurant that nobody knows! You want a place with a pleasant atmosphere, ...[4] food and efficient .....[5]. So if you do not know where to go, ask your friends and colleagues to .....[6] a restaurant.

Secondly, choose a restaurant with a varied .....[7] so everybody can find a .....[8] they like or want to try. Remember too that some of your guests may be .....[9].

Finally, relax and be open to cultural differences. Some people like a quick lunch or dinner and are very happy with just a main .....[10], but some like to spend more time socialising and also expect an aperitif, starter, main course, dessert, coffee and of course good conversation!
