1. Read the text and answer the following questions:

## Fun Times with Friends

Faisal and Salem are best friends who love spending their free time together. One morning, they decided to do hiking in the mountains. They enjoyed the fresh air and beautiful views, and they laughed a lot while walking.

The next day, they went to the beach to go swimming. After that, they sat under a tree and did some reading. Salem also likes painting, so he painted the sea and the sky. In the evening, Faisal and Salem stayed at home. They enjoyed watching movies and playing computer games together. At the Weekend, they planned to go camping in the desert and have more fun adventures.

Faisal and Salem always enjoy their free time because they spend it doing what they love.
