IF NOT SURE, DON'T SHARE

"MCMC developed the portal to counter the rise in the spreading of false information."

December 2 – Although it has only been introduced in May, the *sebenarnya.my* portal by Malaysia Communications and Multimedia Commission (MCMC), has received over 15 million hits. MCMC Chief Operations Officer (COO) said the portal is a one-stop centre to verify news before spreading it hrough social media.

Using the motto '*Tidak Pasti, Jangan Kongsi*' (Not Sure, Don't Share), the portal received two million hits monthly. "MCMC developed the portal to counter the rise of false information," COO told reporters after launching the website at Sekolah Kebangsaan Guar Perahu, in Bukit Mertajam today.
