Answer 30: _____

Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the following questions from 31 to 36.

In today's globalized world, the English language has evolved beyond its traditional boundaries, giving rise to a diverse array of "World **Englishes**."**These** regional varieties of English, shaped by the unique cultural, historical, and social influences of different parts of the world, have become an integral part of the linguistic landscape.

One of the most notable examples of World Englishes is Indian English, **which** has developed its own distinct grammatical structures, vocabulary, and pronunciation patterns. Influenced by the languages and dialects of the Indian subcontinent, Indian English has become a vibrant and dynamic form of the language, used not only in formal settings but also in everyday communication.

The rise of World Englishes has challenged the traditional notion of a single, "standard" form of the language, prompting a shift in our understanding of linguistic diversity. Rather than viewing these regional variations as "inferior" or "incorrect," linguists and language experts are increasingly recognizing the value of these diverse forms of English.

By **embracing** the richness of World Englishes, we can gain a deeper appreciation for the cultural and linguistic picture that makes up the global English-speaking community. This recognition of linguistic diversity not only fosters greater intercultural understanding but also celebrates the inherent adaptability and dynamism of the English language itself.

Question 31. What does the word **Englishes** mean in paragraph 1?

A. speakers of English
B. regional varieties of English
C. English people
D. English-speaking countries

Answer 31: _____

Question 32. What characteristic of Indian English is mentioned in the essay?

A. Unique grammatical structures
B. Formal vocabulary
C. Standardized pronunciation
D. Standard form of the language

Answer 32: _____

Question 33. The underlined word **which** in paragraph 2 refers to _____.

A. notable examples B. World Englishes C. Indian English D.grammatical structures

Answer 33: _____

Question 34. What does the text suggest about the traditional notion of a "standard" form of English?

A. It is the ideal that all World Englishes should strive for.

B. It has been challenged by the rise of diverse regional varieties.

C. It is essential for effective global communication.

D. It should be actively promoted and enforced.

Answer 34: _____

Question 35. The underlined word **embracing** in the last paragraph probably means _____.

A. accepting B. refusing C. challenging D. changing

Answer 35: _____

Question 36. What is the main message in the text about the diversity of World Englishes?

A. It is a problem that needs to be addressed.

B. It is a sign of the declining quality of the English language.

C. It is a temporary phenomenon that will eventually be resolved.

D. It should be celebrated and recognized for its value.

Answer 36: _____

Four phrases/ sentences have been removed from the text below. For each question, mark the letter A, B, C, or D on your answer sheet to indicate the correct option that best fits each of the numbered blanks from 37 to 40.
