So I [illegible] a little while Mom and Dad [illegible] about this earthquake that [illegible] just [illegible] in Papua New Guinea. They met in the Peace Corps in Papua New Guinea, and so whenever anything happened there, even something terrible, it was like all of a sudden they were not large sedentary creatures, but the young and idealistic and self-sufficient and rugged people they [illegible] once [illegible] and their rapture was such that they didn't even glance over at me as I ate faster than I'd ever eaten, transmitting items from my plate into my mouth with a speed and ferocity that left me quite out of breath, which of course made me worry that my lungs [illegible] again [illegible] in a rising pool of fluid. I banished the thought as best I could. I [illegible] a PET scan scheduled in a couple weeks. If something was wrong, I'd find out soon enough. Nothing to be gained by worrying between now and then.
