Reading activity:

1) Read the following text about Mia's daily routine:

Hi! My name is Mia. I am 9 years old. I live in a small house with my family. Every day, I have a busy routine.

In the morning, I usually get up at 7:00. I often wash my face and brush my teeth. Then I always have breakfast with my family.

After breakfast, I often tidy my room for five minutes. I always put my books in my bag. I sometimes help my mom make lunch for school. Then I usually walk to school with my best friend, Leo, because it is close. I go to school at 8:30.

I have a lot of hobbies. My favorite hobby is drawing. I always draw on weekends. I also often play board games with my family, like Monopoly and chess. On Saturdays, I sometimes go to the park with Leo, and we often play badminton. I rarely play video games, because I think they are boring. I do not like violent games.

In the afternoon, I get home at 4:30. I usually have a snack. Then I always do my homework. I sometimes watch TV, but only for a short time. After that, I often practice a hobby. I sometimes bake cookies with my dad, and we taste them at the end. I also often listen to music when I study.

In the evening, my family eats dinner together at 6:30. After dinner, I usually take a shower. Then I often read a story book. I rarely fall asleep quickly, but I always try to be calm.

Finally, I go to bed at 9:30. I usually feel happy because my day is interesting!

2) Choose the correct answer to the following questions:

- What time does Mia usually get up?
