Setting descriptions

Setting is a name for where a story is set. Most stories have more than one setting. Choose a setting from Shakespeare's Macbeth and imagine you were there. Write I statements to describe the setting.

The witch's heath – where the witches' meet Macbeth	Macbeth's Castle – where Macbeth and Lady Macbeth plot King Duncan's murder
Birnam Wood – where the English soldiers cut trees before the battle.	Dunsinane Hill – Where the final battle takes place and Macbeth is killed.
