Subject: An Invitation to a Magical Adventure

Hello, young explorer!
This is not a normal message... it is an invitation.
Two children, Digory and Polly, became friends during a cold and rainy summer in London. One day, everything changed when Digory's uncle gave them magical rings that sent them to a mysterious place called the Wood between the Worlds. There, they discovered different worlds, faced a powerful and dangerous witch, and traveled through unknown lands in search of a new world. In their journey, they met a great Lion and witnessed the creation of a magical place.
Now, the invitation is for YOU.

If you could join this adventure:

- Would you accept the invitation? Why or why not?
- What would you like to find in this magical world?
- What kind of adventure would you like to live?
