LEARNING ACTIVITIES FOR FIRST QUIMESTRE EXAM

INTRODUCTION:

English is an important communication tool in today's globalized world, one which allows learners to communicate beyond their own linguistic and geographical boundaries. As learners enter the final sublevel of their high school education, it is important to remember that being able to communicate in the international language of English will prepare them for a myriad of future academic and career opportunities, responsibilities and experiences.

Claire Edwards

Hi! My name's Claire Edwards and I'm 14 years old. I'm from Cardiff in Wales. I live with my mum and dad and my 12-year-old brother Sam, who's a big computer fan. My best friends are Holly and Anita.

I love music. I listen to music all the time and I play the guitar in a band with some of my friends. We're called The Daisies and we play rock and pop music. I write the songs, but I don't like singing because I'm shy! I'm writing a new song at the moment.

I also love going shopping because I'm really into fashion. My favourite colour is green, so I've got lots of green clothes! I'm not very sporty, but I sometimes go rollerblading in the park.
