culture      flowers      country      houses      rose  
beautiful      tulip      bee      world      gardens

\_\_\_\_\_ are a true gift from God. They're beautiful. All of them. One of life's pleasures is looking at flowers. If you look at them really closely, it's amazing just how \_\_\_\_\_ they are. Their colors are so rich and deep. I don't know of anything in the world more red than a \_\_\_\_\_ or more yellow than a \_\_\_\_\_. Flowers seem to be a big part of every \_\_\_\_\_. People give flowers as gifts, arrange them in their \_\_\_\_\_, grow them in their \_\_\_\_\_. Some people even name their daughters after flowers. I can't imagine how boring the \_\_\_\_\_ would be without flowers. I'm always coming across new flowers. Every time I travel to another \_\_\_\_\_, I find lots of flowers I've never seen before. It must be nice to be a \_\_\_\_\_ and spend all day flying from flower to flower.
