Hello! My name is Rosy. I'm eight. I go to Green Park School. I am in class 3A. We are 8 boys and 4 girls.

My classroom is upstairs. It's very big and bright. There are 3 tables and 12 chairs. I sit with my friends Polly and Sam. There's a computer on a desk. The desk is between a bookcase and a cupboard. There are lots of pictures and posters on the wall.

We can play football at school but we can't skateboard. There is a swimming pool too. We go swimming on Friday. It is good fun!

This is my teacher. Miss Jones. She's got long black hair and her eyes are black too. We love our teacher. She's very kind. She goes to school by bike. Her bike has got big wheels.
