Hi Laura!

Remember me??!! I was really pleased when I found your name on the Friends Reunited website – so (a) _____ straight away.

(b) _____ ? (c) _____ . Last time we met you were still at university, but I guess you're working now. What are you doing? I remember you always wanted to work with children. Are you still with Simon or is that all in the past now? (d) _____ ? What are your parents doing these days, and how about Joe and Katie? (e) _____ ?

I now work for a big property company as a sales manager, and at the moment I'm living in Australia, working in the Sydney office. I absolutely love it over here, and even more exciting, I'm getting married next April to Matt – a gorgeous Australian guy I met here! We don't know yet if we're going to live in England or stay in Sydney.

As for my family, well unfortunately Gran died a couple of years ago, but (f) _____ . Dad retired about three years ago, and they're travelling all over the world these days. They came to see me here a few months ago. And remember my big brother Anthony? He's married now (to Rosie, a girl he met at university) and they've got two-year-old twins, so his life's really changed!

Well, I think that's all the main news from me. (g) _____ . Maybe we could meet up when I'm back in England?

(h) _____
