3 07

You will hear a lecture about shopping habits. Choose THREE statements that are correct. Before you listen, make a note of what you *think* the answers might be.

What did the survey find out about women?

a They like to shop in large department stores.

b They go to the supermarket after midnight.

c They always make a shopping list.

d They tend to buy inexpensive shoes.

e They save money by buying special offers.

f They like expensive boutiques.

g They go shopping in specialist shops.
