Will / won't

Exercises from English Class a2+, Pearson

4 Complete the text with *will* or *won't* and the verbs in brackets. Write the answers in your notebook.

English [1] *won't be* (not be) so popular in 2035. But Chinese and Portuguese [2] ? (become) very important. Pupils [3] ? (not learn) with CDs and DVDs: instead pupils [4] ? (chat) to students their age in other countries to practise languages. In the future students [5] ? (not have) the chance to gossip with friends between lessons because everyone [6] ? (learn) at home. So [7] ? students in 2035 ? (feel) lonely?

5 In pairs, say if and when you think these predictions will come true. Use time expressions with *in* or *by*.

Vygrys-Kupińska

1 Schools will give laptops to all their pupils.
I think this will happen by 2020.
I don't agree. I don't think this will happen.

2 Students won't learn languages – everyone will use computers to translate.

3 Many people will decide to study abroad.

4 Students will use the internet in exams.

5 Robots will do all the hard, unpleasant jobs.

6 Pupils won't use paper books any more.
