Last year, my girlfriend and I decided to travel to the US. **1.** We_____ so _____ when we received the visa. **2.** My girlfriend _____ a little _____because she didn't speak English, but I told her to relax as I had studied at Blendex before. We traveled in summer, so **3.** it _____ really _____ the whole season; sunny days every day. **4.** We _____ _____ all the time. However, we didn't care as we were so excited to be abroad. Something funny happened when we were in Disneyland; a guy from England asked my girlfriend some questions and she didn't understand anything. **5.** She _____ so _____ and ran away from him. After that she promised me that she was going to study English too. Then, we went to a restaurant as **6.** we had _____ _____ already after a long day walking around the park. We ate some delicious burgers and drank some beer in a pub outside the park. I think too much beer as **7.** My girlfriend _____ _____ and puked in the street; what a crazy day! All of a sudden, I don't know why, **8.** my girlfriend was _____ _____ because one of the waitresses was "flirting with me". **9** She _____ _____ and took a taxi to the hotel. **10.** I was _____ _____ but I calmed down and went to the hotel too. The day after, she apologized and asked me to prepare some juice since **11.** she had _____ very _____. Finally, we forgot about what had happened and continued enjoying our trip.
