Education at Home	
About 4000 families teach their **1**_____ at home, and they do very well. One example is the Tanner family from Hertfordshire. Eve Tanner, 27 and her 29-year-old husband James do not send their children to school. The Tanner children, six-year-old Stephen and eight-year-old Jason, study at home with their mother. They have a bright,	**CHILD**
2_____ study in their home. All around there are a lot of books and the children's **3**_____ are on the wall. James says, "My wife and I think we got nothing from school - only a diploma. In fact, everything was **4**_____ .	**COMFORT** **PAINT** **BORE**
Some parents who are teaching their children at home have a study programme, but the Tanners don't. Eve says, "The children love books. They read all sorts of things. And of course, we read story books together. I teach them **5**_____ and mathematics, too. They write **6**_____ lists for me. Then they go shopping with me and pay for the things we buy."	**WRITE** **SHOP**
Eve and James take their children to the library, to museums, to concerts, to **7**_____ pools and to gymnastics. They think these activities are very important. Eve says, "Most of **8**_____ friends are very **9**_____ . Some friends are thinking about **10**_____ their children at home."	**SWIM** **WE** **INTEREST** **TEACH**
