Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct word or phrase that best fits each of the numbered blanks from 1 to 5.

Every year thousands of people travel to Britain in order to improve their standard of English. For many, however, this can be a (1)_____ experience due to the fact that it involves attending a strange school, staying in sometimes unpleasant accommodation and living in an unfamiliar culture. One (2) _____ to these problems is the Home stay method. With this, students are each assigned a teacher suited to their language requirements and interests. As well as giving individual tuition, the teacher provides the students (3)_____ information about what activities are available locally and take them on trips. Students get between ten or twenty hours of tuition a week and are also (4)_____to join in the family's daily activities . The students speak English at all times and therefore learn how to use the language in everyday situations. Home stay programes usually (5) _____for up to four weeks. Although costs are higher than of regular language schools, students can feel confident that they will be receiving top-class language teaching in a safe and pleasant environment.
