There is a cathedral and a university. There are five bridges over the River Tyne, which link Newcastle to the next town, Gateshead, where there is one of the biggest shopping centers in the world.

A few years ago, the main industries were shipbuilding and coalmining, but now the chemical and soap industries are important.

I moved to London ten years ago but I often return to Newcastle. I miss the people, who are very friendly, and I miss the beautiful countryside near the city, where there are so many hills and streams.
