He is friendly, clever and really hard-working. He is also well-dressed and well-behaved. He is very good in his studies and always does his work attentively in the class. All the teachers have a high opinion of him.

Tony has a well-built body; he is tall and slim and has straight blonde hair and blue eyes. He takes part in all sports and he also likes to play the guitar. He has a good heart. He is honest and obedient. Tony makes his parents very proud of him. He secures good marks and is usually top of his class in examinations. He inspires me to work harder.
