Rainbow kitten surprise – Run

As I recall, they were standing in the sunlight
_____ up your irons and stick _____ in my eyes, 'cause ya
Had it, had it, had enough, babe, had enough this time
Add it, add it, add it up, babe
'Cause the fun don't come where the money ain't kind

Dollar bills, money, money, money
Got 'em hungry for the _____, got 'em hungry for the _____
All the kids come running for the money
They come runnin' by the hundreds, by the millions, by the _____, sayin'

Keep your head low, keep your head low
_____ you're headed over my way, for them
Dollar bills, money, money, money
Got 'em runnin', got 'em runnin', run, boy, run

You had 'em, you had 'em, you had 'em getting low
You had 'em walking, _____ that line
You mad, you mad, you're trying to forget
How you had 'em getting _____ with the look in your eyes

[Refrain]

LIVEWORKSHEETS

Speaking

1. If you add everything up, are you more similar to Bruce Wayne or James Bond in the way you think and make decisions?

2. Do you act more like Anton Chigurh when you're ready for the kill, or like John Wick in controlled precision?
Describe a situation where you behaved similarly.

3. When things go wrong, do you keep your head low like Frodo Baggins or confront problems like Maximus Decimus Meridius?
Why do you choose that strategy?

4. If Tommy Shelby was headed over your way, how would your reaction differ compared to if Tony Stark were coming?
What does that say about your personality?

5. Are you more like Alfred Pennyworth who always toes the line, or like Tyler Durden who rejects rules?
Give real-life examples of your behaviour.

6. Think of moments when you had a special look in your eyes like Michael Corleone during decision-making, or like Sherlock Holmes when solving a problem.
When did you last feel that intensity?

7. Which character best represents your "inner mode"? Justify your answer with a personal example and emotional reasoning.
