

Part 2

You will hear part of a radio programme on which a reviewer talks about a newly published book about a woman called Natalie Hardcastle. For questions 9-18, complete the sentences.

Natalie Hardcastle and her sons lived in a house which had no running water or

	9
--	---

Natalie's childhood dreams of Olympic fame were ended by a

	10
--	----

When she met Tony Hardcastle, he was a rich

	11	and a racing driver.
--	----	-------------------------

Tony's risky business deals led to financial

	12	leaving Natalie and her family penniless.
--	----	--

He went to

	13	to try to become a racing driver again.
--	----	---

Natalie then decided to start a travelling

	14	and beauty parlour in the back of a van.
--	----	---

At weekends, Natalie travelled to small outback towns in the van, taking

	15	with her.
--	----	-----------

When Tony returned and made her give up her business, she soon ran out of

	16
--	----

Tony died suddenly in a

	17	and left huge debts.
--	----	----------------------

The book made the reviewer think more positively of her own

Part 4

You will hear an interview on the radio with a conservationist called Kay Giles, who is trying to help schoolchildren understand the importance of protecting the environment. For questions 24-30, choose the best answer (A, B or C).

24 What is Kay's job?

- A teacher
- B journalist
- C manager

	24
--	----

25 What is the purpose of the seminars Kay mentions?

- A to give support to teachers
- B to talk to students about the planet
- C to make environmentalists more active

	25
--	----

26 The projects are designed to let the students

- A communicate with their families.
- B see for themselves the consequences of pollution.
- C get away from their classrooms.

	26
--	----

27 What does Kay think is the best way for students to learn about the environment?

- A by reading articles and watching videos
- B by doing practical work
- C by doing both of the above

	27
--	----

28 How many containers for recycling should you have?

- A two
- B three
- C four

	28
--	----

29 What is Kay's opinion of the government?

- A They are not active enough.
- B They are very fair.
- C They are communicative.

	29
--	----

30 Kay wants children to

- A educate their families about the environment.
- B think about being grandparents.
- C prepare themselves for their future jobs.
