GRADE 7

READING :

III. Choose A, B, C or D to complete the passages :

For good or bad, computers are now part of our daily life. Experts predict that before long all schools and businesses and most families in rich parts of the world will (1) _____ a computer of some kind. Among the general public, computers rouse strong feelings - people either love them or hate them.

The computer lovers talk about how useful computers can be in business, in education and in the home. Apart (2) _____ all the games, you can do your accounts on them, learn languages from them, write letters on them and in some places, even do your shopping with them. Computers, they say, bring not only leisure, as many (3) _____ jobs but are used as a great educational tool as well.

The haters, on the other hand, argue that computers, bring not leisure but unemployment. They worry, too, that people who spend all the time (4)_____ to computers may forget (5) _____ to talk to each other. Their biggest fear is that computers may eventually take (6) _____ from human beings altogether.
